Water District to hold important meeting

The South Florida Water Management District Board has appointed a funding committee to recommend how and who will pay for the restoration of the Everglades.

The funding committee will be meeting in Belle Glade at City Hall on Thursday, November 19 from 4 p.m. to 7 p.m.

"The decision of this committee will affect every landowner and resident in the Everglades Agricultural Area," said Vee Platt, Clewiston landowner. "The proposed plan will tax every homeowner, farmer and owner of any property in the EAA. The funding committee needs to hear our questions and comments, and your input and presence at the meeting is of vital importance."

Mrs. Platt says this is the first time public comment has been allowed by this committee. "Please do not let this chance to be heard go by," she said.

Night golf planned for Friday

The City of Belle Glade Recreation Department is planning to hold their third annual Night Golf Tournament at the Belle Glade Municipal Golf Course.

The event will begin at 7 p.m. November 20 on Bailey's Bad Nine. There will be door prizes and a prize for the person who gets closest to the pin on a designated hole. Refreshments will be served. To sign up for the tournament, call the Pro Shop at 996-6605.

Three inmates cut in fight at G.C.I.

Three Glades Correctional Institution inmates are hospitalized after a knife fight last Friday afternoon.

Palm Beach County Sheriff's officials say Frank Young, 29, Steven Galati, 39, and Frank Suarez, 39, all suffered knife wounds.

Young reportedly stabbed Galati with a homemade knife or shank. Suarez, a friend of Galati's, came to assist Galati and was also stabbed by Young, according to the report.

Deputy Michael Finnegan said an investigation revealed that Suarez then disarmed Young and stabbed him in return.

Galati suffered several stab wounds to the back and shoulder. He was flown by Trauma Hawk to St. Mary's Hospital where he was listed in serious condition and expected to undergo surgery.

Young was stabbed in the stomach. He was also taken to St. Mary's where he was listed in critical condition. He also underwent surgery.

Suarez was stabbed several times in the head and was taken to Glades General Hospital where he is in guarded condition. Charges are being filed against all three inmates involved.

Health Care District will decide if Glades General can offer obstetrical care

By BRENDA BUNTING
SUN Editor

Glades General Hospital wants to open a OB/GYN wing in January. The Palm Beach County Health Care District can't decide whether to give permission or stop the expansion.

The District Board met at Belle Glade City Hall last Thursday evening to determine what role the District has in the operation of Glades General.

Chairman Ed Healy said it is still unclear whether the HCD board has a say over whether GGH can offer OB/GYN services.

"Since the Health Care District Board has not adopted any policies, Glades General Hospital's board has implemented its own policies," said board member Sandra Chamblee.

"When the day comes the we have to come and say 'Mother may I,' for everything we may have to reorganize," she told the board.

GGH's board met in August and voted to begin paperwork to reorganize into a private, not-for-profit hospital. Glades General is the only hospital owned by the District.

Belle Glade's Vice-Mayor Steve Weeks told the district he is proud that Glades General has remained a public hospital.

but "if a hospital, any hospital, is to survive it must be on a level playing field."

Glades General had a birthing center in the early 1980s. The area being renovated for the new OB/GYN ward is the old pediatrics ward.

"We're not coming to the Health Care District for additional money," Mrs. Chamblee told the board. "The money to start up is in the (GGH) budget."

Hospital Administrator Neil Whipkey said renovations to the wing, including start-up costs, will be between \$600,000 and \$700,000.

"We're not going into OB services to be a detriment to anyone else," said Mrs. Chamblee. "At this time we can not take care of the full services of our people and it's important to give our citizens this service."

District officials, facing a deficit of millions of dollars, voted in September of 1991 to merge Everglades Memorial Hospital in Pahokee and Glades General in Belle Glade into a regional medical center located at Glades General.

The merger would save the District between \$5 million and \$10 million a year.

Everglades Memorial Hospital sued the District claiming there was no evidence the creation of the District was approved by the voters.

Want to quit smoking? Today is The Day

If you're a smoker and looking for a way to quit, today is the day you've been waiting for. It's the American Cancer Society's 16th Annual Great American Smokeout, your chance to quit for a day and maybe even forever.

"About 87 percent of lung cancer cases are caused by smoking," said Sue Van Dyke, Deputy Executive Director of the American Cancer Society in West Palm Beach.

When deaths from lung cancer, heart attacks caused by smoking and other smoking-related diseases are totaled, more than 400,000 people die each year from tobacco use.

"Smoking is the number one preventable cause of death in

America," said Ms. Van Dyke, "and there are almost always immediate benefits from quitting, such as less coughing and an improved sense of taste."

The American Cancer Society offers smokers a way to quit for a day with these tips:

- Throw out all cigarettes. Clean out all ashtrays in your home, office and car, and put them away. Discard matches, and give your lighters to someone to hide.
- Keep busy. Hold a pencil or pen instead of a cigarette.
- Chew gum or carrot sticks when you have an urge to smoke.
- Drink lots of water and fruit

See Smokeout page 3

Everybody loves a parade...Don't you believe it! Here's proof to the contrary. This is Jakious Robinson, he's three years old, and he's already had enough parade to last a long time. He was a participant in Pahokee High School's Homecoming Parade. For more Parade Pictures, see page 6.

The potatoes are right there...says Cecelia Harriot, pointing out the baked potatoes to Francine Grand-Pierre, Raider kick-master, behind Grand-Pierre, O.C. Davis scans the breakfast choices. The two, along with the rest of the Raiders - and any other young athletes that show up - are being fed at Christian Day School's cafeteria by Palm Beach County Youth for Christ and the Raider Booster Club. The Club is seeking new members.

SUNPHOTO BY CHIP NEWTON

Breakfast of champions

Soul food

By CHIP NEWTON
SUN Staff

It started about three years ago when Desmond Harriott took three kids to breakfast.

"Next week, they brought friends," he says.

Palm Beach County Youth for Christ's free athlete's breakfast is now feeding between 60 and 70 young athletes every Saturday morning.

He says the youngsters need direction in their lives.

Mr. Harriott, Glades area director for the non-profit organization, says that after the first year, the entire

graduating class from Glades Central Community High School showed up at Fat Boy's one morning, and "there just wasn't room."

Now the young athletes are fed at Christian Day School's cafeteria where there's plenty of room.

FBC Youth for Christ and Glades Central's Booster Club both provide volunteers (cheap cooks and bottle washers) who do the work of feeding the crowd.

The food is bought with a \$3,200 grant from Palm Beach

Community Foundation, and Burger King has been providing orange juice concentrate and cups.

"I get as much mileage as I can from that money," he says. He's asked representatives of sugar companies for donations to feed the group next year.

Breakfast for the body, and the Word of God for the soul of man, according to Mr. Harriott. "We minister to the complete man," he says, "and people who are hungry are confused."

"We want them to hear the Word."

South Bay Police Chief wants to improve relations with citizens

By BRENDA BUNTING
SUN Editor

South Bay Police Chief Roy Humston says he needs a social services division in his police department. The Chief is asking city officials to let him apply for grant money to set one up.

The proposal stems from an Oct. 24 clash between the department and about 50 citizens on Martin Luther King Boulevard.

That day police received a call that two teenagers were attacking another youth. After police arrived the fight escalated into bottle and rock throwing. Three officers and

some civilians were hurt.

Mayor Clarence Anthony said he received numerous calls about the incident and ordered the police officers to undergo sensitivity training.

He told Chief Humston he realized the officers had a tough job, but felt the incident could have been better handled.

Chief Humston proposed the social services division at a town meeting held last Thursday night at city hall. Over 100 South Bay residents and officials showed up at the meeting.

"Public opinion of the military and other uniformed 'police-type' agencies has

traditionally been poor, encompassing feelings of fear, hatred and mistrust, when, in fact, these agencies were organized to serve the public," the chief said in his proposal.

The program would be staffed by both certified police officers and citizens. "It's aim would be pro-active, not a reactive approach," said the chief in his proposal.

Components of the plan include outreach to victims, information and referral services, food for the hungry, transportation for senior citizens and programs for South Bay's youth and other services.

City of Belle Glade plans to do special census in January

The 1990 Census is inaccurate and will cost the city of Belle Glade thousands of dollars a year for the next ten years, according to City Manager Lomax Harrelle.

The 1990 census reported 16,177 persons living in Belle Glade. Because the city has a diverse population involving several languages, it is believed that communication difficulties prevented all persons from being counted.

City officials feel an accurate population and housing count would allow for better prediction of the cost of delivering municipal services, and would generate additional revenues from state and federal programs which are based on population. Therefore, the city will initiate a special census by the U.S. Department of Commerce - Bureau of the Census.

This re-count can be an enormous benefit to the citizens. According to City Manager Harrelle, "I can't stress enough how important this special census is to Belle Glade. It is vital that everyone is counted. If we are successful in revising the population, the City stands to gain thousands of dollars in extra funding each year this decade." Harrelle urges residents to give their support and cooperation.

Coordinators emphasize that all information gained from the Census is confidential. Census takers have no connection with law enforcement or immigration. An individual does not have to be a U.S. citizen to be counted. Enumeration will begin in January on take approximately two weeks. The census will be conducted by a Bureau supervisor who expects to fill 35 poll-taker positions. Applications for census workers are available at the City Manager's office.

Take it easy...Brandy Wester gets a back rub from her husband Benny at pre-natal classes at Everglades Memorial Hospital. Brandy's baby is due in January and Benny hopes to attend the birth to help his wife through natural childbirth. The six-week pre-natal class is taught by Sherri Ritter. She had several couples practice relaxation techniques in the first class session.

Barn Raising is the name of this quilt design. This queen-sized quilt, designed by Janet Davis, a pre-natal instructor for Building Blocks, will be sold in a drawing November 23 at 4 p.m. For ticket information call 996-3889.

Farm Labor Contractor office opens in Glades

A Farm Labor Contractor Registration office has opened at 349 N.W. 16th St. Suite 108 Belle Glade.

The Florida Farm Labor Contractor Registration Law changed in 1990. Beginning July 1, every Farm Labor Contractor/Crewleader must take and pass the Farm Labor Contractor test before receiving a Farm Labor Contractor Certificate of Registration.

Therefore, as a Registration Consultant Specialist in Farm Labor Contractor Registration and the Florida Farm Labor Contractor Law Chapter 450 Part III, the following services are available to you and/or your company to be utilized as deemed necessary to maintain compliance or future compliance as required by law.

Services available include: registration as a Farm Labor Contractor, transportation (drivers, providing transportation, insurance coverage,

vehicle inspection, field inspection), posting documents (State and Federal Requirements), field sanitation, Child Labor Law, Workmen Compensation, Unemployment Compensation tax, Notary Public Service available (bonded), Payroll Audit Counseling (paying workers, complaint dispute), Labor Compliant (regarding farm-workers).

Administrative Hearing Counseling regarding Farm Labor Contractor to include fines, penalties, or any other violation of the Florida Farm Labor Contractor Registration Law.

Also, if there is anyone in the occupation of a Florida Farm Labor Contractor that needs assistance in passing the required test, which all Farm Labor Contractor must pass before a License will be issued, please call 992-8501 (day) 996-1772 (night).

Man arrested after shooting

A 20-year-old Belle Glade man is in jail today accused of shooting two men in front of the Little Harlem Bar, 517 S.W. Avenue B Place Saturday night.

Charged in the shooting is Carlton Lewis Thomas of 1233 S.W. Avenue E. Injured in the incident were Venett Harden, 34 and Ronald Tarver, 24, both of Belle Glade.

Officer Ed Britt responded to the shooting complaint about 10 minutes after midnight November 14. Tarver told Officer Britt he was on the pay phone outside the bar when he was shot in the right arm just below the elbow.

Harden, who was also outside the bar, fled when the shooting started and was struck in the right upper arm and knocked to the ground. Both were taken to Glades General Hospital.

Officer Britt said the shooting was apparently over an earlier incident between Tarver and Thomas.

November 20-26 is Farm-City Week

Local farm leaders are preparing for Farm-City Week 1992. Agriculture is one of Florida's largest industries, an industry not often understood by Florida's growing urban population. Farm-City Week will promote a better understanding between farm and city residents. This year's observance extends from November 20 through November 26.

This will be the 37th annual observance of Farm-City Week. Last year more than 18,000 communities participated in the United States and Canada. A presidential Proclamation and a joint Congressional Resolution have called for Farm-City Week observances each year since the inception of the event. Farm-City Week has

won the Freedom Foundation's distinguished service Award and the Silver Anvil Award from the Public Relations Society of America.

Here in Western Palm Beach County, agricultural businesses include: rice, sugar cane, and vegetables. Western Palm Beach County Farm Bureau hopes that the events and activities of Farm-City Week will create a greater awareness in cities of the types and sizes of farms in our area. If farm residents can understand urban growth, and city residents can understand the concerns of agriculture, then there will be a great chance of the two working together to solve common problems such as environmental and governmental issues.

Smokeout

Continued from page 1

• Drink lots of water and fruit juices, and avoid spicy food, coffee and soft drinks with caffeine that can trigger a desire for cigarettes.

• Change your habits connected with smoking. Leave the dinner table soon after eating to avoid the desire to light up. When on the telephone, reach for gum instead of a cigarette.

To quit permanently, studies show smokers need support from family, friends and co-workers.

"The important thing to remember is to take it one step, and one day at a time," Ms. Van Dyke said. "One day's success can lead to another."

Smokers who want to quit

can also call the American Cancer Society at 1-800-ACS-2345 for a free brochure on quitting smoking.

James W. McConnell, M.D., P.A.

That's how it is in heaven
I'd like to discuss the possibility of building a foundation to educate more young people.

I'm speaking out because the point I'm trying to make is that young people need all kinds of advantages and something to fall back on if they can't be educated any more.

You see, one day, we've all got to live together in this world because that's how it is in heaven, that's what God wants.

Get used to it

I think the Republicans are still in shell shock. Why don't you put in the paper that Bush has lost and Clinton is in and the Republicans need

to quit crying about 'poor old Clinton', 'cause he's the president for at least the next four years.

Let's save those tax dollars

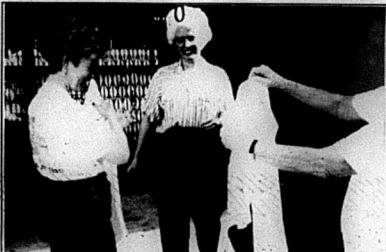

I'm wondering why in the time we're having with the budget crisis here in the City of Belle Glade a city employee drives a city vehicle to the tennis courts to play a game of tennis after 7 p.m. at night?

Editor's note: I spoke with the city employee, who said he has the use of that truck 24-hours a day because he is on call at all hours of the night. He maintains these courts and is often called late in the evening to turn off lights at the courts.

School shows appreciation to members of Glades Relief group

Editor's note: Members of the Glades Relief Volunteers participated in the relief effort in Dade County after Hurricane Andrew. They returned when local schools opened to provide school supplies to Miami Heights Elementary School. The Glades Relief Volunteers are headed by Clay Connell, Badcock Furniture, Larry Simmons, Larry's A/C and Appliance and Ron Pittman at Glades General Hospital and many Glades residents. Also helping with school supplies was Xi Zeta Mu Sorority.

Following are a few of the letters of thanks the organization received from the students.

In appreciation...Members of Xi Zeta Mu Sorority were given t-shirts for helping purchase and deliver supplies for students at Miami Heights Elementary School recently. Shown, from left is Merylene Cochran, an unidentified Miami Heights teacher and Jane Evans.

Dear Belle Glade Volunteers,

Thank you for giving us the supplies. I like what you volunteers did for us. I think you're very nice people for doing what you did. During the next hurricane I hope we have all the supplies we need.

Sincerely,

Scott Gale, Mrs. Brennan's Fourth Grade Class

Dear Belle Glade Volunteers,

Thank you for those supplies. That was nice of you.

You want to know something? The hurricane was so bad.

Your friend,
Giorgianni

Dear Belle Glade Volunteers,

Thank you for sending us the glue, papers, and other things. Some of us really needed these things. I didn't need all of those things.

I'm in Mrs. Brennan's fourth grade class. My name is Kirk. My last name is Williams. My house got hit bad. How is yours?

Sincerely,
Kirk

Dear Belle Glade Volunteers,

Thanks for the great things you sent. You are great people. My friends and I love them, even my teacher loved it. She loved them so much until she wanted to keep some of it.

Will, got to go.

Sincerely,

Redames Figueroa

Dear Belle Glade Volunteers,

Thank you for all the things you gave us that was very nice. Some of us really needed it.

Melissa Andwar

Belle Glade Fire Chief

Fire safety tips for the Holiday season

Editor's note: Last year the Belle Glade Fire Department responded to a total of 742 calls during the holiday season. Mr. Tuliano said 255 of those were residential. Of those, 25 were fire related with five heating equipment fires and another three were kitchen fires. Forty-six of those fires were structure fires in one and two family dwellings.

...

The holiday season is rapidly approaching. This means cooler weather and everybody focusing on traditional celebrations. With all the environmental changes and activities associated with this time of year we need to be even more conscious of fire safety. I have put together these fire safety tips to help you and your family have a safe holiday season.

Heating your home safely

According to the National Fire Protection Association, heating equipment is the second leading cause of home fires in the United States. Chances are most of these fires could be prevented with proper understanding and use of this equipment. If you are planning to purchase new heating equipment be sure to select products that have been tested and approved by an independent testing laboratory. It is very important to install and maintain heating equipment properly in accordance with your local fire and building codes.

1. Portable and space heaters can be electric, liquid fueled, gas fueled or solid fueled (wood or coal). All types must be placed at least 36 inches away from anything that can burn such as wall coverings, clothing, bedding, pets and people. You should never leave space heaters operating when you are not in the room or when you go to sleep.

Children and pets should not be left unattended when using space heaters. Drying clothing and other combustibles over a space heater is a common practice that poses a distinct fire danger. Power cords to electric space heaters should be periodically checked for frayed or damaged wire before being plugged into electrical sockets. If damage of this type is found, the equipment should not be used unless serviced and repaired by a trained professional.

2. If you have a liquid fueled space heater (such as a kerosene heater), use only the fuel recommended by the manufacturer. Never use gasoline or any other substitute fuel because the wrong fuel could burn hotter than the equipment design limits.

When refueling always turn off the heater and wait until it cools down before adding fuel. Clean up any spills immediately. If you are considering a liquid fueled space heater be sure to check with your local fire and building departments to find out if it is legal for your type of occupancy, and the requirements concerning fuel storage.

3. If you have a working fireplace you should have your chimney inspected, and cleaned if necessary, by a trained professional prior to the start of every heating season.

Creosote, a chemical substance that forms when wood burns, builds up in the chimney and can cause a chimney fire if not properly cleaned. Always use a sturdy screen in front of the fireplace for protection when burning. Remember to burn only wood. Never burn paper, cardboard or pine branches that can 'load out' of the chimney and ignite other materials outdoors. Never use flammable liquids in a fireplace. If you are planning to purchase a factory built fireplace select one that is listed by an independent testing laboratory and have it installed in accordance with local fire and building codes.

Celebrating safely

The winter holidays are a time for joy and celebration. This means lots of parties, decorating, cooking and a risk of fire. Please

keep in mind these fire safety tips to help keep your family safe during holiday celebrations.

1. Holiday lighting truly accents this time of year bringing people into the holiday spirit. Along with lighting we must consider the possible hazards. Take care when burning candles. Be sure they are kept well away from decorations or any other combustible materials. Do not leave children unattended in a room with lit candles. Always keep candles; as well as matches and lighters up high out of the reach of children. Do not display lit candles in windows or near exits as they are needed to escape in an emergency. Never use candles to decorate Christmas trees. When decorating with electrical lights be sure to purchase only those labeled by an independent testing laboratory. Check lighting cords for frayed or damaged wires before plugging into electrical sockets. Do not use if any damage is found. Never run power cords under carpeting or rugs. For outside decorations be sure to use only lights that are labeled for outdoor use. Do not overload electrical outlets. Always unplug all lights before leaving home or before going to sleep.

2. When decorating for a holiday party only use materials that are non-combustible or flame retardant. Provide guests with large, deep ashtrays and check them frequently. After the party, check inside and under upholstery and in trash cans for cigarette butts that may be smoldering. Dispose of wrapping paper and boxes at once. Do not allow them to accumulate.

3. If you are planning to set up a live Christmas tree you should choose a fresh tree. Use a sturdy stand that is designed not to tip over. Place the tree well away from any source of heat and exits. Be sure to keep water in the tree stand water pan and check it often. A live tree should be taken down when it starts becoming dry and the needles begin to fall.

If you are planning to purchase an artificial tree be sure it is labeled as fire retardant. When using lights on trees be sure you can turn off the lights without having to reach under the tree.

4. Everyone knows the holiday season means lots of activity in the kitchen. What you may not know is that cooking is the leading cause of home fires and home fire injuries in the United States. Whenever you are working in the kitchen you should avoid wearing loose clothing. Clothing can be ignited by hot burners. Never leave the kitchen when you are cooking on the stove. Pot handles should be turned in when cooking to avoid spilling hot cooking materials. Do not store any items on the stove top. Kitchen appliances should be kept clean and in good working condition. Be sure to turn off all appliances after use. Be careful not to overload electrical outlets and never use appliances near water. Know where your portable fire extinguisher is located and how to use it properly.

5. Some people celebrate the New Year with fireworks. These devices are dangerous and are designed to burn hot and/or explode. Even sparklers which are often misunderstood to be harmless, burn to temperatures around 1800 degrees Fahrenheit. Do not let a possible firework injury spoil your holiday fun. Plan to attend public fireworks displays put on by trained professionals instead.

In closing, it is important we develop and practice good home fire safety habits not only during the holiday season but throughout the year. Being aware of and responding to simple precautions can make a difference in avoiding disaster.

On behalf of the Belle Glade Fire Department I would like to wish you and yours a happy and safe holiday season.

Sincerely,

Tony Tuliano
Fire Chief
City of Belle Glade

Letter to the editor

Dear Editor:

November is National Hospice Month and a good time to show that Hospice has more to do with living than it does with dying.

Hospice care affirms life and is concerned about the patient's quality of life by making him comfortable, honestly answering his questions and giving guidance to his family. Hospice care helps patients retain their

dignity by allowing them to choose their environment and who will care for them. Our program, Hospice of Palm Beach County, has been involved in this rewarding work since 1979.

Hospice provides medical care through the visits of specially-trained nurses and nursing assistants. Hospice also provides guidance and support through social workers, clergy, grief experts

and compassionate volunteers. Patients of all ages with any type of terminal illness are eligible for hospice. Through money raised by our community, Hospice of Palm Beach County has accepted patients whether they can pay for services or not.

Sincerely,
Rebecca Peeling
Director of Marketing and Public Relations

Pahokee parade phan club...The streets of Pahokee were lined with smiling faces of all sizes last Friday afternoon as the Pahokee Middle Senior High School Homecoming Parade wound through town. Kids of all ages had a ball, especially when folks on the floats tossed goodies into the crowd.

SUNPHOTO BY CHIP NEWTON

Puff-Puffers...Dark-shirt #2, Nikita Coleman, catches a pass Thursday as the senior girls play the junior girls in a powder-puff football game as part of Pahokee High's Homecoming festivities. In pursuit of Miss Coleman is junior Latisha Davis. She wasn't quick enough - Miss Coleman scored. The seniors won 18-0.

SUNPHOTO BY CHIP NEWTON

Now you see it...now you hear it! Pahokee High drummer Kajuani Boldin bangs the drum slowly. Through his instrument you can see Brian Harris, another band member. They're in the parade!

Pahokee Homecoming A+

Pahokee Middle Senior High School celebrated its Homecoming last week, and it was great!

They did about everything you can do nowadays, from Powder-Puff football, to dancing, to defrocking the Bishop Verot Vikings on the football field Friday night.

And what a parade! Streets lined with happy kids of all ages and sizes, both watchers and participants, and miles of bands, dancers, and fancy floats.

Mr. and Miss Pahokee High were there, with their Court and the Homecoming Queen, as well as Kings and Queens and Courts from other schools in the Glades area.

We'd need fifty-nine pages to show you all the photos!

If energy costs are putting the squeeze on your budget, call Synergy Gas!

Let Synergy Gas show you how to save money using propane for water heating, room heating, heating, cooking, clothes drying and much more!

If you are already using propane or are a new propane user, we have a very special introductory offer for you!

LOW BACK PAIN

If back pains are a way of life for you, the reasons can be varied and complex. Some may be pathological, but very often the cause is muscles which are either over or under-exercised which are producing spinal distortion. Vertebrae slip into abnormal positions, resulting in "pinched" and irritated nerves, which cause pain and even loss of function of the affected body part. Poor posture, or even emotional tension, can be the root cause.

Glades Day ends season in style Crusaders take safari in Lion country, get devoured

The Glades Day Gators defeated Moore Haven's Terriers Friday night at Moore Haven to wrap up their season at 5-5.

The scoring opened with Quarterback Graham Chancey scoring on a two-yard run in the first quarter.

Miles Griffin scored twice in the second quarter, first on a three-yard run, then on an 18-yard run.

Demetrius Scruggs scored for the Terriers on a nine-yard run, making it 18 - 7 at the half, Gators up.

In the third quarter, Terrier Quarterback Willie King made a superb 69-yard touchdown run, and Griffin ran one in from the eight for the Gators. Jeff Goodale ran in the two-point PAT.

The fourth quarter also saw both teams score. Miles Griffin carried another in for the Gators, from the four, and Pat Whitehead hit the PAT kick, then Eddie Gore got in for the Terriers and Willie King fired a PAT pass to Austin Braham.

The Gators had 67 carries for 327 yards, and zero in the air.

Miles Griffin had 192 yards on 32 tries and two touchdowns.

Jeff Goodale carried 10 times

for 116 yards.

The Terriers had 200 yards on the ground and 48 in the air.

Good deal, Goodale...Gator #20, Jeff Goodale, turns upfield Friday night as Glades Day defeats Moore Haven 33 - 22. Goodale had 116 yards on 10 carries and scored a two-point PAT in the game.

DARREN KIRCH PHOTO

Chris Cunningham completed 20 of 34 passes for 209 yards, but it wasn't enough Saturday afternoon as the Crusaders were overwhelmed by Westminster Academy's Lions.

With a final score of 35 - 0, you'd think the game was all Westminster, but that's not the case at all. The rushing and passing statistics tell a different story.

The Crusaders had 50 yards on the ground compared with 191 for the Lions, but the Lions had 92 in the air while the Crusaders had 209.

The Crusaders had 15 first downs, the Lions 9.

Nick Butler had 189 yards and four touchdowns on 12 carries for the Lions.

Gus Peavy had 14 catches for 132 yards.

Cunningham finishes his high school career with 402 passes completed for 4,994 yards and 46 touchdowns, new records at the school.

Pahokee Blue Devils come home in style, 14 - 0

BY CHIP NEWTON
SUN Staff

It was Happy Homecoming at Pahokee High School Friday night as the Blue Devils beat Bishop Verot's Vikings 14 - 0 for the District 7-2A championship.

Two weeks ago, the Blue Devils didn't have a shot at the 2A title; Suncoast had it all sewed up. But state officials reclassified Suncoast to 3A because the school had more enrollment than anticipated. That left the title up in the air. The Blue Devils caught it before it hit the ground.

To show their appreciation, Pahokee played their hearts out, holding the Vikings scoreless for four quarters.

Andreal Johnson had 169 yards and one touchdown (63 yards) in the game.

The Blue Devils turned a personal foul flag to quick advantage, with Craig Mickens scoring on a two-yard run seven plays after Pahokee was given the ball back when a punt was called back by the flag. Johnson carried the two-point PAT in.

As the second quarter drew to a close, the Vikings were threatening at Pahokee's 16, but a slick interception by Michael Joseph - in the end

Nice catch...Pahokee's #8, Michael Joseph, makes a right timely interception behind the goal line Friday night. Joseph, playing defensive back, saved a sure Bishop Verot touchdown when he flew in front of the Viking's intended receiver in the end zone.

SUNPHOTO BY CHIP NEWTON

zone - saved the score and the Blue Devils 8-0 lead.

Late in the third quarter the Vikings again threatened, but

Denorse Mosley picked off another Viking pass near the goal line.

Four plays later Andreal Johnson was hit behind the line and looked like he was going down but broke free and raced

Looking for running room...Pahokee's Andreal Johnson, #15, goes for the gold Friday night as the Blue Devils beat Bishop Verot 14 - 0 for Homecoming. Johnson had 169 yards for the evening. With the win, the Blue Devils are now District 7-2A champs.

SUNPHOTO BY CHIP NEWTON

63 yards for Pahokee's second and last score of the game.

With just less than six minutes remaining, Ulrick Williams picked off another Viking pass at the seven-yard line, effectively finishing off the

Vikings.

The game was marred by penalties, with Pahokee drawing nine for 95 yards, and Bishop Verot with five for 55. The Blue Devils had 205 yards on the ground and 29 in

the air; the Vikings had 147 on the ground and 47 in the air.

The Vikings were intercepted three times and lost two fumbles. Pahokee had no fumbles and no interceptions.

Halftime delights...Announcing Glades Central Community High School's dance troupe! There's more here than meets the eye, too. That is to say that there are more dancing girls than would fit into just one picture, so you don't see them... But the ones you do see are, left to right, Niki Fyfrom, Bynessia Hills, Isis Spencer, and Latonya Hills. The ladies were seen performing for the Raider crowd at Friday night's win over Clewiston.

RICK SCHUSTER PHOTO

when Robinson scored from five yards out.

The Raiders had 101 yards on the ground and 128 in the air,

compared to 130 on the ground

and only six in the air for the Tigers. Neither team fumbled

the ball away, though each dropped and recovered, and the

Tigers had one pass picked off,

compared to none for the Raiders.

The Raiders were penalized

nine times for 90 yards,

compared to 4 for 20 for the Tigers.

The Dist. 14-2A playoffs will be held Monday, Nov. 23, at 7 p.m. at Forest Hills High in West Palm Beach. The first quarter will see the Raiders face Clewiston. The winner will play Cardinal Newman. The District champ will face Fort Pierce Central at home for the Region VII-3A title.

Corrections

In a story in our November 5 edition we referred to Ashley Meadows as one of the outstanding players on Christian Day's volleyball team. Her

name is Erin Meadows.

On the same page is a picture of Pahokee volleyball player Jennifer Lairsey. We called her Jennifer Airsey.

School News

Knightly News

Who could forget Leon Perryman? He is the type of player who makes a lasting impression. The impression that he left behind at Christian Day School was a phenomenal season which included 1016 rushing yards and 18 touchdowns, leading the Crusaders to a 7-3 season.

Perryman is now making his mark at Cumberland College; a Division III school in Williamsburg, Kentucky. In his freshman year, Perryman has started his last five games at defensive line. During those five games, Leon has recorded an impressive 24 tackles, two sacks, and one pass deflection.

Jeff Renshaw, defensive coach at Cumberland, stated, "Leon isn't the biggest lineman that we've ever seen, but he always makes things happen. We coaches have a new phrase that replaces the old saying 'stuff happens'."

"At Cumberland it is 'Leon happens'!" Coach Renshaw was also pleased with Leon's academic progress. "Spending long hours on the road and practice field, and being fifteen hours away from home can be hard for any young person to handle; but Leon is still able to maintain a G.P.A. well above 2.0." They are expecting great things from Leon Perryman at Cumberland College, and we at Christian Day offer him our prayers and concerns for an exciting college career and future!

Gator Tales

Glades Day's varsity football team ended their season on a winning note last Friday, defeating the Moore Haven Terriers 33-21. The win made them 5-5 on the season.

We would like to congratulate the coaches and players on their fine play this year. They provided Gator fans with thrills and chills throughout the season with exciting games such as the victories over Christian Day and King's Academy, not to mention the 40-34 overtime win over LaBelle!

Plus, they came within a couple of points of winning the district game against Benjamin. Congratulations once again, guys.

Now that football is behind us, the players are turning to

Leon Perryman

the courts - the basketball courts, that is. With so many girls trying out for basketball this year, the coaches have added a junior high team.

So, between the boys and the girls, we have six Gator teams to watch!

The girls' season begins November 30 when the varsity squad goes to Fort Lauderdale Christian for tournament play. The boys' season opens December 7 with the junior high team competing in the Clewiston Middle tournament.

The National Honor Society's Food for Families drive was a big success, thanks to the outpouring of good will from grades K-12. Sponsor Sharon Baumgartner reports over 700 items were collected in just two days.

Congratulations to the winning homerooms, who will receive a free breakfast of donuts and milk: elementary - grades 3 and 5, junior high - Ms. Schoenfeld's ninth grade, and senior high - Mr. Perez's 12th grade.

Yearbook sales officially ended Wednesday, according to yearbook advisor Karen Hansford. Congratulations go to ninth grader Jared Davis, who won a free yearbook in last Friday's drawing. Jared's name was pulled from the names of all faculty and students who had ordered their yearbook by Friday, November 13.

Faculty and students will get an early break next week for Thanksgiving. School will not let at 2:35 Tuesday and no one has to return until Monday, November 30.

HAPPY THANKSGIVING!

Raider Log

BY BETH BUCHANAN

On November 11, Glades Central recognized the service and sacrifices made by members of the armed forces in a special assembly. The presentation of colors was given by the Clewiston V. F. W. post and members area law enforcement officers.

The band, directed by Willie Pyfrom, led the National Anthem. The band also played "America, the Beautiful" and "This is My Country" during the program.

Coordinator Mr. Frank Lasagna gave a brief history of Veterans' Day, highlighting its former name of Armistice Day and the tombs of Unknown Soldiers of the various wars.

The featured speaker was Rowe B. Myers, a WWI veteran. Mr. Myers briefly recounted his memories of that first November 11, 1918, 11 a.m., "somewhere" in France, Wilfred Dunning, David McInness,

by Mr. Z. Lawson, sang "My Country 'Tis of Thee", and the Drama Club, sponsored by Mrs. Sarah Bennett, recited quotations, poetry, and observations dealing with patriotism and war.

Faculty members who had served in the armed forces were also recognized: Air Force, Kenneth Buchanan; Army, Willie Pyfrom, Dwayne Brown, David Lance, Bill Allen, Gene Campbell, Reginald Murray, Des Mahon, and Frank Lasagna; Navy, Bill Brietzg, Robert Bennett and George Zedonek.

The assembly closed with the retiring of colors and the Pledge of Allegiance by all present.

Senior Superlatives

More senior superlatives featured in the Shield Yearbook (now on sale for \$25 - see Ms. Bolden) are Most School Spirit, Caesar Garza and Amanda Smith; Most Likely to Succeed, Mark Crobie and Stacey Webb; Prettiest Eyes, Bernanda Jones and Telva Smith; Class Clown, O.C. Davis and Latangela Laing; Most Courteous, Anthony Smith and Lakeisha Freeman; Class Couple, Wilford Evan and Zenita Lawson; Most Talkative, Earl Portier and Tammy Smith.

Students of the Week Juniors who earned this award for the first nine weeks were Tony Brutus, Victoria Dunning, David McInness,

Ketene Joseph, Warren B. Hobbs, Sherbet Samuels, Reidel Anthony, Mirna Alpizar, Leandre Humphries, Stacey Anne Hannigan, Angel Cruz, Beth Buchanan, Charles Daniels, Constance Shaw, Jimmy Porter, and Katrina Thomas.

Seniors will be honored next week.

Raider Bucks

Raider Bucks have finally arrived from the printer! Students may earn their Bucks with weekly perfect attendance, no tardies, good conduct, and class participation.

The Raider Bucks may be traded for various supplies and rewards as the school year progresses.

SADD Conference

On Wednesday, November 18, many students from GCCHS attended a county-wide SADD conference in West Palm Beach. Stressing sobriety while driving, the conference provided special speakers, exhibits, and entertainment.

Ms. Vicki Breachy is the sponsor for the local club.

Muck Bowl

Tomorrow, the final game of the regular season is played against the Blue Devils in Pahokee.

Best of luck to all you Raiders players!!!

The City of Pahokee is now accepting applications for its Winter Basketball Programs (Florida Youth Basketball, Inc. and Adult Men's League).

Applications can be picked up at Pahokee Elementary, Canal Point Elementary, School of Choice, Pahokee Middle/Senior, Pahokee City Hall, and Pahokee Recreation Department.

**Winn-Dixie
Cares.**

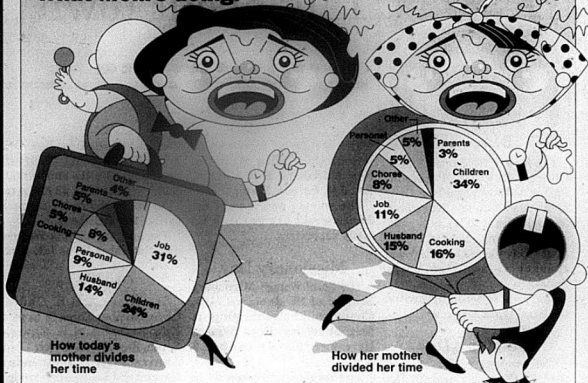

The devastation left behind by
Hurricane Andrew defies words. Even
pictures cannot fully tell the story of the
people who are left homeless, hungry
and with nothing but the clothes on their
backs.

These people are the reason
Winn-Dixie is saying Even-it-Up.
The proceeds of this program will
allow the Salvation Army to help your
neighbors in the south. The next time you
shop at any Winn-Dixie store, just ask the
cashier to Even Up your total to the next
dollar or five dollars. Whatever you wish
to donate will be a tremendous help to
those who are desperately
in need.

**EVEN
IT UP!**

We've just spent a lot of time and money figuring out where you spend all your time and money.

What Mom's doing.

Getting dressed.

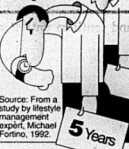

What a family of four spends on clothing and its care each year

You may outgrow your clothes, but you'll never outgrow Barnett.

Take a number.

Years Americans spend standing in line during an average lifetime

We have over 600 ATMs so you don't have to wait long at Barnett.

Bringing home the bacon.

The number of two-income families in America is growing

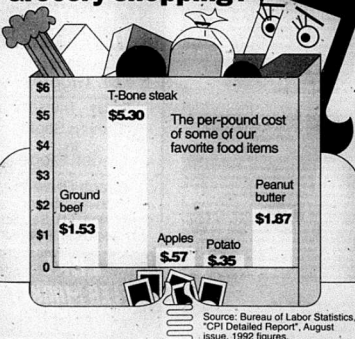

58 percent of all married couples are dual earners.

Total: 30.3 million couples.

Source: American Demographics, Oct. 1991

You work hard for your money. Did you know you can invest it in mutual funds through Barnett?

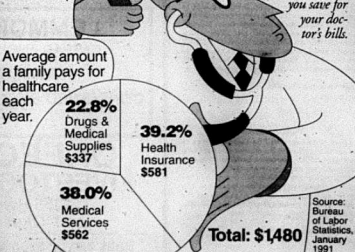

Grocery shopping?

A trip to the grocery store always costs more than you think. Better protect yourself with Barnett's Overdraft Protection.

Ouch! (Part 3)

Average amount a family pays for healthcare each year.

You're paying a lot. Stop by and see how Barnett can help you save for your doctor's bills.

Ouch!

What it costs to raise a child to age 18 in a middle-class family.

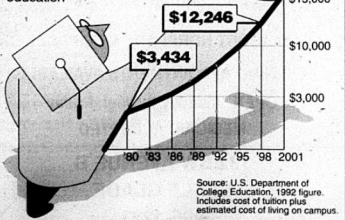

\$210,070!

Source: Bureau of Labor Statistics, "Consumer Expenditure Survey," 1990. Middle-income is \$29,900 to \$48,299. Projection assumes a 6% annual inflation.

Better save wherever you can. Our Edge Account is a good place to start.

Ouch! (Part 2)

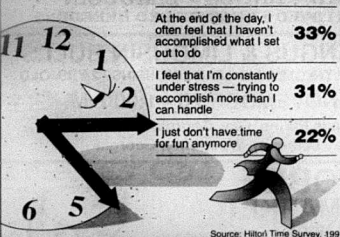

Average cost of a year of public college education

You have to read Moby Dick, write a 20-page paper and cram for a final. Our student loans can help with your college finances.

Are you crunched for time?

Percentage of Americans who agree with these statements:

Looks pretty stressful out there. The last thing you need is a bank complicating your life. Our Premier Account can make even the most diverse finances manageable.

Harold Strasser, M.D. Scholarship

The Palm Beach County Medical Society is accepting application forms for the Dr. Harold Strasser Memorial Scholarship.

M. Knight awarded Golden Key Peat Marwick Scholarship

Marachel L. Knight of Pahokee has been awarded a scholarship from the Florida State University chapter of Golden Key National Honor Society.

Ms. Knight, a junior, is an electrical engineering major maintaining a 4.0 GPA and is a member of Phi Eta Sigma honor society and the DuBois honor society, and others.

Golden Key awards two scholarships annually to each university chapter across the country. Scholarships are granted to the outstanding

Beach County who have been accepted to an accredited college or university may apply. Each applicant must be active in high school sports and must have an outstanding scholastic

record. In addition, two letters of recommendation are required from the applicant's high school and from a resident of Palm Beach County.

The scholarship was established in memory of Harold Strasser, M.D., who was killed in 1983 while administering first aid to two auto accident victims in their overturned van.

Another car hit the van, causing it to flip over atop Dr. Strasser, killing him instantly. Dr. Strasser was an orthopedic surgeon with a reputation for providing free medical care to financially distressed patients.

Applications must be received by the Medical Society by March 1, 1993.

For more information or to receive an application form, contact Wendy Berrie at 433-3595.

Jose Ramirez completes Navy training in Illinois

Navy Seaman Recruit Jose L. Ramirez, son of Luis C. and Olga L. Ramirez of Belle Glade, recently completed basic training at Recruit Training Command, Great Lakes, Illinois.

During the training cycle, Ramirez was taught general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 occupational fields.

His studies included seamanship, close-order drill, naval history, and first aid.

Ramirez, who graduated from Glades Central Community High School, joined the Navy in July, 1992.

Debra Lynn Malewitz

Dr. and Mrs. Thomas Malewitz, Harleysville, Pennsylvania, announce the engagement of their daughter, Debra Lynn Malewitz, to Wilford Gifford Querry, of Belle Glade. The bride-to-be graduated from Concordia College in

Bronxville, New York, with a degree in elementary education and is employed by Palm Beach County School Board. The groom is a graduate of Glades Day School and is employed by Querry Plastering. A date has not been set.

Angels are now available at ARC here

Angels of the World, the ceramic sculptures of love created by Lasso Ispanky and sold to benefit the Association for Retarded Citizens, are now

available in Belle Glade. The 1992 edition, Billy, All American, the final edition in the ten-year series, sells for \$8. For information on locations

for purchase of the angels, contact the Association for Retarded Citizens of Belle Glade at 996-9583.

LEGAL NOTICES

NOTICE BY EVERGLADES DRAINAGE DISTRICT OF INTENT TO USE THE UNIFORM VALUOR METHOD OF COLLECTION OF A NON-AD VALUOR ASSESSMENT

Notice is hereby given to all owners of lands located within the boundaries of the Highland Glades Drainage District that the said District intends to continue using the uniform as valuator method of collection for such non-ad valorem assessments as have been or may be levied by the District with said method of collection to be carried out in accordance with Section 197-3632, Florida Statutes.

The District Board of Supervisors will hold a public hearing on December 4, 1992, at 8:00 a.m. at the offices of Caldwell & Pencil, 322 Royal Palm Way, 3rd Floor, Palm Beach, Florida, for the purpose of which is to consider the adoption of a Resolution authorizing the use of the uniform as valuator method of collection for such non-ad valorem assessments as have been or may be levied by the District with said method of collection to be carried out in accordance with Section 197-3632, Florida Statutes.

Highland Glades Drainage District has in the past adopted and levied non-ad valorem assessments and some of all of said assessments may continue for subsequent years. However, in 1992, the District may adopt and levy new non-ad valorem assessments for the District's fiscal year 1993-1994, some of all of which may continue for more than one year, with said assessments being upon some or all of the lands located within the boundaries of the District. The non-ad valorem assessments which have been previously adopted, are continuing or will be adopted for the District's fiscal year 1993-1994, have been or will be levied for the purpose of payment by the District of bond indebtedness, maintenance and other lawful obligations of the District.

The aforementioned non-ad valorem assessments have been or will be adopted and levied for one or more of the following reasons:

1. They are required to be levied for the first time, or they are existing and have been previously placed on the roll and collected.
2. They were or are being increased beyond the maximum rate authorized by law at the time of their initial imposition.
3. They were or are related to a change in the boundaries of the Highland Glades Drainage District.
4. They were or are related to a change in the purpose of an existing assessment or in the use of the revenue such assessment.

Interested parties may appear at the public hearing to be heard regarding the use of the uniform as valuator method of collecting such non-ad valorem assessments.

If any person desires to appeal any decision made with respect to any matter considered at this public hearing such person will need a record of proceedings and for such purpose such person may need to ensure that a verbatim record of the proceedings is made at their own expense and which record includes the testimony and evidence on which the appeal is based.

On the road again...The Christian Day School Choir loaded up and left Sunday morning for a tour of the eastern United States. It's a working tour: the group will be singing at several locations in Florida, Kentucky, Tennessee, and North Carolina.

SUNPHOTO BY CHIP NEWTON

CD Choir sings across eastern U.S. - Dollywood!

The Christian Day School choir has gone Crusading. They're taking a tour of the eastern United States, singing as they go.

They stopped first in Gainesville, Florida, then went through Kentucky. As you read this, they're in Knoxville, Tennessee, at Church Street United Methodist Church performing at a community worship service for the homeless.

Tomorrow, Friday, they'll be at Royal Care Nursing Home in Pigeon Forge, Tennessee in the morning. That's where Dollywood is located.

And that's where they'll be tomorrow afternoon! Singing at Dollywood! At 4 p.m. and 5:30 p.m.

Sunday, they'll be at the Veterans Hospital in Asheville, North Carolina, then head on home.

On tour are:

Seniors

Saneca Hart
Nicole Bennett
Lisa Glass
Michael McVey
Kelly Miller
